---

**Dedicated to making a difference in the world by loving and educating children, as well as those who teach and care for children, so they too can make a difference.**

## Profile

Exuberant, loving, and sensitive teacher of educators and children. Maintains positive atmosphere while upholding discipline and educational standards.

Broad range of life experiences brings exceptional depth and richness to the classroom (has lived and taught in six different cultures). Understands and teaches how to build bridges to any culture, rather than just understanding one or two different cultures.

## Education and Certification
